# **County Cllr**

County Cllr Nunn reported the following:

# County Deal

The Cabinet was currently considering the results of the public consultation regarding the proposed County Deal, and was likely to make its decision as to whether to proceed, in October 2023. Full Council would then be asked to consider its stance on whether it supported the change to an elected leader and cabinet system of governance.

# Annual Local Member Fund

Cllr Nunn had pledged £2,000.00 to Narborough Parish Council towards the funding of two bus shelters. To date, no other Parish and Town Councils had come forward for a contribution, and if funds were available, this Council could apply to him for a further contribution to fund the costs for both shelters.

The Parish Council thanked him for his kind support of this project.

# **District Cllr Peter Wilkinson**

District Cllr Wilkinson reported the following:

# Norfolk Community Foundation

The Norfolk Community Foundation was continuing to support a range of community grants to benefit people and communities across Norfolk.

# Skills and Careers Fair

The Iceni Partnership and Department for Work and Pensions would be hosting an event in the Swaffham Assembly Rooms on Wednesday 11<sup>th</sup> October 2023, giving an opportunity for people to meet local employers and get their careers on the right track.

# Breckland Local Plan

Breckland District Council would be hosting various roadshows at the end of October 2023/early November 2023 for residents. The Local Plan was currently being amended and a public consultation had taken place in May 2023.

# **Public Participation**

The member of public wished to raise concerns about speeding vehicles in the village, particularly those travelling from Chalk Lane and/or Marham Road, and enquired whether traffic calming measures had been investigated by the Parish Council. He further enquired whether a Speed watch team could be set up.

The Chairman, Cllr Williams, reported that he and Cllr Wilkinson had held a site meeting with the Highways Engineer, Mr J Griffiths, recently to consider the options available. Mr Griffiths had confirmed that once the new development on Chalk Lane had been completed, the current 30mph sign would be relocated to slow traffic down sooner. The road could not be narrowed due to the use of heavy goods vehicles and large tractors travelling on this highway, although painted 'Slow' roundels would be considered by Norfolk County Council if it was felt there was a need for them. A flashing 30mph sign had already been erected as part of the developers' S106 obligations and this was effectively improving the slowing of vehicles.

Cllr Wilkinson reported that a plea for volunteers to join a Speed watch team had been made on various occasions but only one or two people had ever come forward. It was noted that the team would need to be a minimum of six people. He confirmed that the police were regularly in the village using speed cameras and this had helped catch some offenders. It was further noted that mobile cameras were being deployed by Norfolk County Council and Breckland District Council to tackle this issue but there were not enough for every village or town in the County.

The member of public further raised concerns that the Skippers Meadow estate had still not been adopted due to Persimmon Homes not completing the gas works to Highways' standard.

County Cllr Nunn confirmed that until the highways were brought up to the recommended standard by Persimmon Homes, and subsequently adopted, Norfolk County Council would hold no responsibility for issues arising.

The Chairman, Cllr Williams, resumed the meeting at 8.07pm.

# 5. Chairman's Announcements on current Council business

# 5.1. S106 traffic calming measures on new development in Chalk Lane

The Chairman, Cllr Williams, reported that he, the Vice Chairman, Cllr Pipe, and Cllr Wilkinson would be holding a site meeting with the agent for Minster Homes within the next few weeks. Various meeting dates had been set up and then subsequently cancelled, but the Clerk would continue to ensure a fixed date was set.

# 6.2. Rededication event of the War Memorial

Cllr Wilkinson confirmed that the War Memorial had not yet been fully repaired and a rededication event would not be organised until it had been completed.

The Clerk would remove this item from the agenda until the works had been completed.

Councillors and the Clerk raised concerns that CGM had breached their contract and repeatedly not kept the Churchyard grounds in a good state of maintenance for the past two months. The Clerk had sent emails to CGM regarding this, following complaints from two Church officials.

A short discussion took place and Councillors agreed that the August invoice should not be paid and a credit issued by CGM for their breach.

Proposed – Chairman, Cllr Williams

That the payment of bills are approved in accordance with the above schedule and the receipts are noted, excluding payment of the CGM invoice for the total amount of £196.40 due to works not being carried out in accordance with the contract.

All in favour

The Clerk would contact CGM to confirm that a credit note would be required for the August invoice.

# Parish Partnership Scheme 2024/2025 – bids to be submitted by Friday, 8<sup>th</sup> December 2023 County Cllr Local Member Fund support

The Parish Council had received confirmation from County Cllr Nunn of his approval to support the purchase of two bus shelters with a contribution of  $\pm 2,000.00$  from his annual Local Member Fund. As discussed during the Public Open Forum, if no further requests were submitted to him from other Councils in his division, further funds could be requested from him.

County Cllr Nunn was given a vote of thanks for committing his support to this project.

#### **11.2.** Quotations for the replacement of the two village bus shelters under the PPS

The Clerk had sought quotations for varying sized bus shelters and these had been circulated with the agenda. Under the PPS, the cost would be split with Norfolk County Council 50/50.

It was noted that the current Westbound shelter stood in part in a residential garden and that the fencing of that garden might need to be replaced as part of the project. In light of this, it was considered that both shelters could possibly be relocated a few feet away from their current positions. If this was the case, a street licence would need to be obtained from Highways.

The quotations for two bus shelters from Broxap were as follows:

| 3 person standard shelter x 2      | £2,924.00 + £672.52 shipping (net total <u>£3,596.52</u> )<br>+ £719.30 VAT (total £4,315.82)    |
|------------------------------------|--|
| 3 person powder coated shelter x 2 | £3,414.00 + £785.22 shipping (net total <u>£4,199.22</u> )<br>+ £839.84 VAT (total £5,039.06)    |
| 6 person standard shelter x 2      | £4,106.00 + £944.38 shipping (net total <u>£5,050.38</u> )<br>+ £1,010.08 VAT (total £6,060.46)  |
| 6 person powder coated shelter x 2 | £4,758.00 + £1,094.34 shipping (net total <u>£5,852.34)</u><br>+ £1,170.47 VAT (total £7,022.81) |

A discussion took place and Councillors agreed that the best option was a 6 person bus shelter. Details and costs regarding powder coating, replacement fencing and a contractor to do the work would be determined at the next meeting.

Proposed – Chairman, Cllr Williams

Seconded – Cllr Wilkinson

That the Council agrees to submit a bid for funding for two Broxap Harrowby bus shelters, with the final total costs to be agreed (split 50/50 between the Parish Council and Norfolk County Council) for the 2024/2025 Parish Partnership Scheme.
